	foam/jelly (spermicides)							
	emergency contraception					_		
	lactational amenorrhea (breastfeeding) counting days / fertility awareness							
	withdrawal					_		
	other (specify)							
	other (specify)							
2.11	If NOT using family planning at the time of this pregna	ancy that just	ended:					
	Have you ever used anything to delay or avoid getting				GO TO 2.12		GO TO 2.13	

after completing tal

gnant?		
	gnant?	

			0 1	0	0				
2.12	If you have EVER used something to avoid or delay get			hat methods have you used	? (X all methods mentioned)				
		Ever used (X)	For each method mentioned Why chose method?	Where did you g	et this method?	Why not using at time of most recent pregnancy?			
	pill (sometimes reffered to as family planning)	(//)		Where are you g		of most recent pregnancy:			
	Injection / Depo Provera								
	male condom								
	diaphragm								
	IUD/Loop								
	implants								
	female condom								
	foam/jelly (spermicides)								
	emergency contraception								
	lactational amenorrhea (breastfeeding)								
	counting days / fertility awareness								
	withdrawal								
	other (specify)								
2.13	If NEVER used anything to delay or avoid getting pregnant, why? Were you not worried about getting pregnant? [Mark all mentioned]								
	did not think I could get pregnant	Probe	why did she think she could not get pregnant?						
	did not know there was anything I could do to avoid								
	getting pregnant	Probe:	: has she ever heard anything about family plannin	g? From who or what?					
	my partner refused to use		Probe: why did her partner refuse?						
	unable to access family planning services and supplies		Probe: did she try to use family planning services? What happened? Does she know where to get family planning supplies?						
	had not planned on having sex		Probe with care in case of forced sex / rape. If had not planned on having sex, what had happened?						
	fears / worries (eg: infertility, cancer)		what specific fears did she have? Were these fear	rs for certain methods? Side	effects?				
	other reasons	Probe	: for details						
	ABORTION DECISION-MAKING								
	Why did you decide to end the most recent pregnancy	? [Do not rea	d out options. Indicate all that are mentioned.]						
	[For any reason mentioned, probe: Why? Was anyone	else involved	in the decision? How did she feel about this? We	re you able to talk to anyone	about this? Was it difficult to	tell someone?]			
	husband did not want at the time		pregnancy was without a husband						
	partner did not want at the time		fear of having to tell anyone about the						
	have enough children already cost of raising children is too high		not the right time to ha influenced by someone else (eg: parent, friend						
	too soon after last pregnancy		forced or coerced sex / r						
	would have to drop out of school due to pregnancy		my own healtl						
	would have to drop out of school due to pregnancy would have to leave job		HIV positive / think I mig						
	too young			lon't know					
	not married		other (sp						
	•								
2.15	After deciding to terminate your pregnancy, did you do			Dalawad					
		immed	diate: go to Section 3	Delayed					
2.16	For how long did you delay?	days (i	f gives answer in weeks, convert to total number of	of days)					
2.17	7 Why did you delay? [Do not read out options. Indicate all that are mentioned]		Did not have transportation						
			Did not know what to do						
			Tried to go to another facility, but was turned av	vay					
			l was afraid						
			Partner refused						
			Did not know where to go						
			Did not know / realise I was pregnant Other (specify)						
			other (specify)
